

Field Reset Overview

Volunteer Role	Field Reset
Responsibility	Accurately reset the VEX IQ Challenge game field after each match.
Report To	Sign in at Volunteer check-in; then report to the Head Referee or the Field Manager in the game field area.
Training Before Event	Read the <i>Field Reset Guide for VEX IQ Challenge Crossover</i> (this document).
Training at Event	Review the <i>Field Reset Guide for VEX IQ Challenge Crossover</i> (this document) and practice resetting scoring objects on the field.
Dress Code	Wear comfortable clothes that are appropriate for a school-related event, closed toe shoes, socks, and volunteer t-shirt if provided.
Location/ Position	Report to the game field area 30 minutes before the practice and qualifying robot matches begin. Between matches, sit in the area assigned to the Field Reset volunteers.
Field Process	When the Referee gives the “all clear” signal, reset the field with 28 <i>Crossover Hexballs</i> . Refer to the diagram below from the <i>VEX IQ Challenge Crossover Game Manual</i> .
