# Program Overview

There are over 360 Scholarships

Worth over \$4.4 Million

Go to: <http://www.roboticseducation.org/for-participants/scholarships/>

- Colleges, universities and industry partners offer scholarships for students in robotics
- Opportunity to engage over 16,000 robotics teams across the U.S. and 40 countries

# Flexible Program Model

- Will work with sponsors to meet their needs
  - Can link to their website
  - Can link to applications to send in
  - Can deliver scholarship at events
- Students must meet college entry requirements
- Prefer sponsor to review applicants

# Our Approach

- Establish contact, typically through Admissions or Financial Aid Office
- Request to expand outreach of an existing scholarship or start a new offering
- Finalize award details and interest form
- REC Foundation provides outreach via website, social media and at local, state and national events
- Exhibit at VEX Robotics World Championship College Row This is a \$2,500 value to the Sponsor

# How you can help!

- Let us know if scholarships are being given away at your event
- Please encourage colleges and universities to contact us: [scholarships@roboticseducation.org](mailto:scholarships@roboticseducation.org)
- Don't forget Community Colleges!!

- **Materials:**

- Scholarship Flyer – To be used at events and shared with potential partners
- Scholarship Interest Form – To be complete by colleges and universities interested in offering a scholarship

**Questions?**

**Thank you!**
