

RobotEvents.com Training Resources

The enhanced RobotEvents.com experience will provide teams and Event Partners with a better user-interface and broader functionality throughout, providing an infrastructure that can grow seamlessly with the VEX IQ Challenge, VEX Robotics Competition, and VEX U programs.

The following resources have been created to help familiarize users with the new version of the website.

- [RobotEvents.com General Information](#) – An overview of the new version of RobotEvents.com for new and existing users.
- [Posting An Event in RobotEvents.com](#) – How to post an event in the new version of RobotEvents.com.
- [Registering a Team in RobotEvents.com](#) – How to register new and existing teams in the new version of RobotEvents.com.
