

The REC Foundation and Future Foundation Scholarship

Thank you for your interest in the FUTURE Foundation VEX Robotics Competition Scholarship. Eligibility for The scholarship is based upon the following four criteria:

1. Applicants are to submit an essay of 250 words or less. The essay topic is “How I will use the skills I acquired in the VEX Robotics Challenge to create a better future”.
2. A letter of support from a teacher or lead mentor explaining why you are worthy of a scholarship and verifying your participation on a VRC team.
3. Submission of your official GPA.
4. Final award of the scholarship will require verification of enrollment in a college or university.

Students should complete the FUTURE Foundation scholarship application form available on the Robotics Education Scholarship page. Transcripts and participation verification should be email and have the subject “FUTURE Scholarship application”.

Submissions are to be sent to: scholarships@roboticseducation.org

Application Deadline March 15th.
