

# Event Resources Guide

A mobile application containing all event documentation for the upcoming season is now available on Android and iOS and can be downloaded by clicking [here](#) or by following these instructions:

- Step 1:** Navigate to either the App Store or the Google Play Store on your phone or tablet.
- Step 2:** In the search field, type “REC Foundation” and then press search.
- Step 3:** Select “Download.” The correct app should be the first result. The app icon is the REC Foundation logo. The publisher is “Guidebook Inc.”

A web version of the app can also be viewed by clicking [here](#).

**QR Code:** The app can be accessed via the QR code below. On the next page, select “Event Resources Guide” to open the app.

**Note:** For access to updated information, tap this icon to sync the app periodically.
