

# VEX WORLDS 2019 • VOLUNTEERS NEEDED

# JOIN OUR TEAM!

## THREE, TWO, ONE...GO!

Be part of the largest robotics event in the world.

The Robotics Education & Competition Foundation returns to Louisville, Kentucky for the 12th VEX Robotics World Championship! This weeklong event will host the brightest minds from elementary school, middle school, high school, as well as colleges and universities. Students are celebrating skills gained through robotics - STEM education, collaboration, hard work, and year round dedication.

Volunteers are welcome in a variety of roles and we even have roles for kids. Join our volunteer team, get inspired, and have fun!

If your company or organization is looking for a great way to make a difference and create a team-building experience that everyone will enjoy, please contact our [Volunteer Coordinator](#) today.
