

## Additional VEX Worlds 2019 Spot Allocations

### Overview

Qualifying spots for the VEX Robotics World Championship are calculated twice per year. On the following table, the number in the “Starting Allocation” column is based on the number of teams in a region during the previous season. The number of additional spots is based on the number of teams in a region during the current season as of January 1. Each region with a least one team is given one spot.
