• VEX IQ Challenge Agenda & Event Specific Info
• VRC/VEX U Agenda & Event Specific Info
• General Event Details
• Merchandise Sales

REGISTRATION AND PAYMENT

Q: Is there a multi-team discount for VEX Worlds?
A: There is not a multi-team registration discount. Registration is conducted on a per team basis.

Q: When is payment due?
A: Teams must register and pay for the event before the qualification expires as denoted on the initial invitation and on RobotEvents.com. Please refer to the invitation email or notification in RobotEvents.com for the team’s deadline.

Q: What is the VEX Worlds 2018 cancellation policy?
A: VEX Robotics World Championship registration cancellations must have been received by March 2, 2018, to receive a full refund. Teams that cancel on March 3, 2018, or after will not receive a refund for their registration fee.

Q: Can teams register for 2018-19 season while at VEX Worlds 2018?
A: Yes. VRC and VEX U teams will be able to register for the 2018-19 season at VEX Worlds 2018 starting Saturday, April 28, 2018. VEX IQ Challenge teams will be able to register for the 2018-19 season starting on Tuesday, May 1, 2018. Teams not attending the event can also register online for the 2018-19 VEX IQ Challenge, VRC, and VEX U season by visiting RobotEvents.com.
PREPARATION

Q: How can I best prepare my team for VEX Worlds 2018?
A: Teams should consult the following online resources:

- [VEX IQ Challenge Ringmaster One Page Description](#)
- [VRC In the Zone One Page Game Description](#)
- [Tips for VEX IQ Challenge Teams to Prepare for Events](#) (VEX IQ Challenge)
- [Things I Wish I Had Known Before Attending VEX Worlds](#) (VRC)

Q: How will REC Foundation staff know who is representing my team in the Parade of Nations?
A: Parade of Nations participants will be required to wear the wristband located in the team’s registration packet. Only students wearing the appropriate wristband will be allowed to check-in and participate in the parade. Further instructions are included in the registration packet.

Q: When is the deadline for pre-submitted awards?
A: Submissions for this year’s pre-submitted awards closed March 20, 2018.

Q: How do I know if my interview appointment is confirmed?
A: Teams received a confirmation email at the time they submitted a request for an interview on the Pre-submitted Awards page. Eligible teams are listed in the following documents.

- [VEX IQ Challenge Eligible Engineering Notebooks](#)
- [VEX IQ Challenge Eligible STEM Presentations](#)
- [VRC Eligible Engineering Notebooks](#)

If you have any questions, please contact Tarek Shraibati at: tarek@roboticseducation.org.

TRAVEL, ACCOMMODATIONS, AND ATTRACTIONS

Q: When will the Program Book be available?
A: The [VEX Robotics World Championship Program Book](#) contains all the information you need to make your trip to Louisville a memorable one, with the event agenda, shuttle and hotel information, local attractions, Show Your Badge discounts, the VEX Worlds Team Party and much more.

Q: Which airport is the closest to the Kentucky Exposition Center?
A: Louisville Regional Airport (SDF) is one mile from the Kentucky Exposition Center. Event attendees are responsible for booking their own transportation to/from the airport. Our travel partner GET TRAVEL can also assist with travel planning. It is important to calculate the airport transportation costs into your trip. In addition, teams may consider flying into another airport close to Louisville, such as Cincinnati (CVB), Indianapolis (IND) or Lexington (LEX). Please note that transportation options are limited from these airports.
Q: Do any of the hotels provide transportation to and from the airport?
A: Some hotels have a shuttle service; however, teams are responsible for making their own transportation arrangements to and from the airport. Our travel partner GET TRAVEL can also assist with booking your airport transportation (airport to hotel/hotel to airport). Complete and return the Airport Transfer Service Flight Information Form for further assistance.

Q: How does a team make hotel reservations for VEX Worlds 2018?
A: Click here for VRC teams to see the many discounted, team-friendly hotels. Click here for VEX IQ Challenge teams to see the many discounted, team-friendly hotels. These recommended hotels have been approved by VEX and offer the best rate guarantee and best terms and amenities to teams.

Q: Will transportation be provided from the various hotels to the Kentucky Exposition Center?
A: Transportation to and from many hotels in the area will be provided at no cost on a dedicated shuttle bus during the days of the event. Click here for details. Click here for the 2018 VEX Robotics World Championship Shuttle Bus Area Map.

Q: How do international teams request visa and invitation letters?
A: The REC Foundation is happy to provide visa and invitation letters to teams. In order to process visa and invitation letters, please have the team’s primary contact fill out this form which will include the following information:

- Team info such as number, school/organization, and contact details
- Names, birth dates, and passport country/number for every team member (including adults traveling as mentors or chaperones)

Visa and invitation letters submitted after January 31, 2018, will be processed as soon as possible, but may take up to three weeks.

Note: The REC Foundation will not produce a separate letter for each team member. Instead the foundation will produce a letter for the entire team and attach the list of team members and mentors.

Q: Is there a team party? If so, when and where?
A: The REC Foundation is delighted to announce that participants in each program will be able to purchase tickets to attend the 2018 VEX Worlds Team Party at Kentucky Kingdom. To purchase tickets, please visit the VEX Worlds Team Party page.

Q: Do all teams get a parking pass?
A: All teams will get one parking pass valid for the duration of the event. The parking passes will be included in your registration packet that you will receive at the event upon check-in. To purchase additional parking passes here. Parking passes may also be purchased at the ticket booth immediately inside the glass doors of the Workman Lobby.
Q: What are the parking costs for KEC?
A: If your team has more than one vehicle, additional vehicles will need to pay for parking. Parking is free Wednesday April 25 and Sunday April 29. To purchase parking passes click here.

Q: Where can we find directions to the Kentucky Exposition Center?
A: Directions to the Kentucky Exposition Center can be found here.

Q: We have a team member that needs special accommodations. Who do I contact to ensure their needs are met?
A: Please send your request to support@roboticseducation.org.

Q: Where should buses go to drop off passengers?
A: Charter or school busses enter through KEC Gate 1. Turn right after entering and then proceed to lot E-1 to park. Click here for a map and additional information regarding private charter parking.

Q: Where can charter busses park that bring people to the KEC each day?
A: Teams with large charter buses or school buses should follow the directions and reference the map linked in the previous question.

ROBOT & EQUIPMENT SHIPPING INSTRUCTIONS

Q: Can teams ship equipment and robots directly to VEX Worlds?
A: Yes, but there are some very specific instructions that must be followed in the following Competitor Kits, and all shipments must be sent through the event’s show decorator, Fern. Contact Fern at (502) 367-0254 with any shipping questions.

- VEX IQ Challenge Competitor Kit
- VRC and VEX U Competitor Kit

Q: If we choose not to use the required shipping options, can we bring carts to haul our materials into the convention center?
A: Please use the shipping options when possible. However, carts that have rubber tires or wheels will be allowed to transport materials. Teams using carts with metal or wooden wheels will not be permitted to pull or push the cart through the lobby of the exposition center. In summary, any wheels that could damage the lobby floors of the Kentucky Exposition Center will be turned away at the door.

Note: Teams are advised to check with hotels to see if they have the capability to receive large packages.

Q: Where should teams dispose of batteries?
A: Instead of disposing of batteries in the regular garbage, teams and parents should visit Pit Admin and drop off their batteries for disposal.

VEX IQ CHALLENGE AGENDA & EVENT SPECIFIC INFORMATION

Q: When will the Agenda for VEX Worlds 2018 be released?
A: Please click here for the VEX Worlds 2018 Agenda. The VEX IQ Challenge portion of the event will take place between Sunday, April 29 and Tuesday, May 1. Please note that since this agenda is subject to change and times may vary from 15-30 minutes.

Q: Will the practice fields be available on Sunday, April 29, 2018?
A: Yes, the practice fields will be available starting at 1:30 p.m. EDT on Sunday, April 29, to teams who have passed inspection.

Q: What is the height of the VEX IQ Challenge fields?
A: VEX IQ Challenge fields are raised by 18".

Q: When will Division lists be released?
A: The Division lists will be released Sunday, April 29. Please visit the respective VEX Worlds page on RobotEvents.com to find the Division lists.
   - VEX IQ Challenge Elementary School
   - VEX IQ Challenge Middle School

Q: How many times can each team participate in the Skills Challenges?
A: Teams may complete each Skills Challenge (Driver & Programming) a maximum of 3 times for Driver and 3 times for Programming for 6 total skills runs.

Q: When will Robot Inspection be open for VEX IQ Challenge?
A: Inspection opens at 1:00 p.m. on Sunday, April 29. All robots will need to be inspected no later than 7:30 p.m. on Sunday, April 29.

   Robots must be inspected before the team’s first match and must be inspected before using the practice fields. Inspectors will mark the robot to denote that it has passed inspection, and Referees will look for those inspection marks before allowing play. In addition, Referees and Inspectors may require re-inspection of your robot at any time during the event. There is no official re-inspection of robots before elimination matches, but Inspectors may spot-check robots at this time.

Q: Do I have to sign up separately for the STEM Research Project submission?
A: Please note that teams must have been awarded the Design, STEM, or Excellence Award at a state/regional/provincial/national qualifying event to be eligible to present a STEM Research project at VEX Worlds. Teams that are eligible will be emailed instructions two weeks prior to the event regarding the STEM research Project Presentation. Presentation schedules will be created to avoid conflicts with match schedules. STEM Research Project presentation schedules will be emailed to eligible teams the week of VEX Worlds.
Q: What is the suggested format for the Engineering Notebook for VEX IQ Challenge?
A: Teams may wish to use the Robotics Engineering Notebook supplied by the REC Foundation as their notebook. Additional notebooks are available for purchase here.

For more information on Engineering Notebooks visit the following links:
- Sample VEX IQ Challenge Design Notebook
- Team Design Notebooks and Team Journals

Q: When and where will Engineering Notebooks for VEX IQ Challenge be returned to the teams?
A: Engineering Notebooks will be returned to Pit Administration for teams to pick up. VEX IQ Challenge notebooks will be available after noon on Tuesday, May 1, 2018.

Q: What is the VEX IQ Challenge Robot Inspection Fast Pass?
A: Donate a volunteer to help as a Judge or Inspector at VEX Worlds 2018 for an entire day or more and your team will get a Fast Pass to the Robot Inspection Express Line! Just get a volunteer to help with Judging or Inspection on Sunday from 12 p.m. until 7:30 p.m. or with Judging on Monday from 7 a.m. until 7 p.m. One inspection pass (one robot) per volunteer. Volunteers must register in Shiftboard. Visit www.roboticseducation.org/VEXWorldsVolunteers for more information.

VRC/ VEX U AGENDA & EVENT SPECIFIC INFORMATION

Q: When will the agenda for VEX Worlds 2018 get released?
A: Please click here for the VEX Worlds 2018 Agenda. The VRC portion of the event will take place between Wednesday, April 25, and Saturday, April 28. Please note that since this agenda is subject to change and times may vary from 15-30 minutes.

Q: Will the practice fields be available on Wednesday, April 25, 2018?
A: Yes, the practice fields will be available starting at 1:30 p.m. EDT on Wednesday April 25, to teams who have passed inspection.

Q: What is the height of the VRC and VEX U fields at VEX Worlds?
A: VRC and VEX U fields at VEX Worlds are raised by 24”.

Q: When will Division lists be released?
A: The Division lists will be released Wednesday April 25. Please visit the respective VEX Worlds page on RobotEvents.com to find the Division lists.
- VRC Middle School
- VRC High School
- VEX U

Q: When will match schedules be released?
A: Teams will receive match schedules in their registration packets upon arrival. One copy of the match schedule will be placed in the registration packet.
Q: How many times can each team participate in the Skills Challenges?
A: Teams may complete each Skills Challenge (Driver and Programming) a maximum of 3 times for Driver and 3 times for Programming for 6 total skills runs.

Q: My team won’t be attending VEX Worlds, but we would like to host a new game unveiling party. Will the new game unveiling be webcast live and when?
A: Yes, the new VRC/VEX U and VEX IQ Challenge game unveiling for the 2018-19 season will be webcast live from VEX Worlds. This year, the VRC New Game Unveiling will take place during Saturday Finals and Awards. The VEX IQ Challenge New Game Unveiling will take place during Tuesday’s Finals and Awards.

Q: When will Robot Inspection be open for VRC?
A: Inspection open at 1:00 p.m. on Wednesday April 25. All robots will need to be inspected no later than 10:30 a.m. on Thursday April 26. Robots must be inspected before the teams’ first match and must be inspected before using the practice fields. Inspectors will mark your robot to denote that it has passed inspection, and Referees will look for those inspection marks before allowing you to play. In addition, Referees and Inspectors may require re-inspection of your robot at any time during the event. There is no official re-inspection of robots before elimination matches, but Inspectors may spot check robots at this time.

Q: What is the suggested format for the Engineering Notebook for VRC?
A: Teams may wish to use the Robotics Engineering Notebook supplied by the REC Foundation as their notebook. Additional notebooks are available for purchase here. For more information on Engineering Notebooks visit the following links:

- Sample VRC Design Notebook
- Team Design Notebooks and Team Journals

Q: When and where will Engineering Notebooks for VEX IQ Challenge be returned to the teams?
A: Engineering Notebooks will be returned to Pit Administration for teams to pick up. VRC and VEX U Notebooks will be available after noon on Saturday, April 28, 2018.

Q: What is the Derby Festival Marathon and when does it take place?
A: Saturday April 28 at 7:30 a.m. is when the Derby Festival Marathon begins. The starting line will be at Main Street and Brook Street in Downtown Louisville and will end at Preston and Witherspoon Street. The finish line will close at 1:30 p.m. on Saturday. For more information, please visit this link.
Q: What is the VRC Robot Inspection Fast Pass?

A: Donate a volunteer to help as a Judge or Inspector at VEX Worlds 2018 for an entire day or more and your team will get a Fast Pass to the Robot Inspection Express Line! Just get a volunteer to help with one of the follow shifts:

One inspection pass (one robot) per volunteer. Volunteers must register in Shiftboard. For more information, visit www.roboticseducation.org/VEXWorldsVolunteers.

GENERAL EVENT DETAILS

Q: Do teams need to remove all equipment from the competition hall each night?

A: The event venue is secured at night; however, the REC Foundation and VEX Robotics encourage teams not to leave valuables in the pits, assume no liability for belongings left in pits, and explicitly note that anything left in the building unattended, is left there at the owner’s risk. This especially applies to small, valuable items like computers and cameras. You need to decide yourself if you want to leave your robot in the pits or not. We expect that some teams will carry their robots back and forth to the venue. Since hotels are close to the venue, it will be convenient for teams to transport items back and forth.

Q: When will the Event Layout be released?

A: Venue maps for the 2018 VEX Robotics Worlds Championship:

- VEX Robotics Competition and VEX U (April 25-28)
- VEX IQ Challenge (April 29-May 1)

Q: What will be present in each team’s pit?

A: Pit areas for both VRC and VEX IQ Challenge teams will be 10’ x 10’ that will have a 6’ x 30” skirted table (30” h), 2 chairs, 1 electrical outlet, a trash can and a team sign. The pit will have an 8-foot tall drape at the back and a 3-foot drape at the side.

Q: Can we bring additional spectators with us to the event?

A: Yes, we encourage teams to invite their school administration, parents, family, and interested supporters to attend with them. Admission into the event for spectators will be free. Parking fees will apply.

Note: Information for spectators can be found on the VEX Worlds page.

Q: Will nuts and peanuts be served in the KEC facility?

A: Yes, there will be tree nuts and peanuts served in the KEC facility.

Q: Is Kosher food available in the KEC facility?

A: Kosher meals must be ordered ahead of time through the venue’s official catering service. Robbin Chapman with Levy Catering can be contacted at rchapman@levyrestaurants.com about Kosher meals.
Q: Can teams bring food into the Kentucky Exposition Center (KEC)?
A: There will be no outside food allowed in the Kentucky Exposition Center.

Q: If I have food allergies, can I get an exemption to bring food into the Kentucky Exposition Center?
A: Levy, the food service provider for the KEC, has the capability to accommodate most food allergies. If you have a food allergy and would like specific information about how the KEC can accommodate you, please send an email to support@robotevents.com.

Q: Where will teams be able to purchase snacks & meals during the competition?
A: Teams can now order lunch directly through RobotEvents.com. Maximize your time at VEX Worlds by using our pre-order lunch service. Visit the “Concessions” tab of the appropriate RobotEvents.com event page to order after submitting the event registration for your teams. Pre-ordered lunches can be picked up at the entrance from North Hall into Freedom Hall, next to the small Fine Designs store.

- VEX IQ Challenge — Elementary School
- VEX IQ Challenge — Middle School
- VEX Robotics Competition — Middle School
- VEX Robotics Competition — High School
- VEX U

In addition to the pre-order option, we have various concessions available within the facility. Food trucks will also be located outside of the facility and will vary daily. For hours concession areas and food trucks are open click here.

Q: Will there be other food available near KEC?
A: Yes. There will be a Food Truck Village located next to the Crowne Plaza near the entrance to the Kentucky Exposition Center.

Q: Will VEX Worlds be webcast and where can the webcast be found?
A: Yes, the webcast URLs for all the Divisions will be listed on the VEX Worlds events pages on RobotEvents.com by April 25.

Q: How are teams assigned to the different Divisions?
A: Teams are randomly assigned to the Divisions. It should be noted that teams from the same organization/school will be split across the Divisions. While teams will be split into different Divisions randomly, we expect that most pit areas will be in sequential order for each Division.

Q: Our school/club has multiple teams, will they all be in the same Division?
A: No. Teams from the same school/organization/club will be split across the various Divisions.

Q: Can we move to a different pit if it is not occupied?
A: No. Judges and other event staff looking for teams use the official pit map.

</table>
Q: We have another team that we want to share a pit with. May we move into their pit and share the space?
A: No. Judges and other event staff looking for teams use the official pit map to locate teams. Judges are assigned to interview specific teams. Teams who have moved will not be interviewed. Pit locations are organized by both team numbers and by Division.

Q: How many qualification matches will we play?
A: This will be dependent on the final number of teams participating in VEX Worlds. As the schedule is finalized, the REC Foundation is working to ensure each team will get 8-10 rounds of qualifying matches.

Q: Do you still need more volunteers?
A: Yes. Interested individuals should complete the online volunteer form at: http://www.roboticseducation.org/volunteers/vex-worlds-volunteers/.

If you have team members or adults on site who would like to volunteer at any time during the week, please see the Volunteer Registration Desk in the lobby.

Note: A typical volunteer shift is 4-6 hours.

Q: If I have a robot that is running on crystals for the VRC or VEX U competition, will my robot work during VEX Worlds 2018?
A: VEX Worlds will be a VEXnet 2.0 only event! If you have any questions about this aspect of the competition, please contact support@roboticseducation.org.

Q: Are safety glasses required during VEX Worlds?
A: All volunteers, drivers, and coaches must wear eye protection while in the competition field areas or around the practice fields for VRC and VEX U. While we always recommend the use of safety glasses, they are not required for VEX IQ Challenge participants. Teams demonstrating robots to Judges or guests must also wear eye protection. Eye protection in the pits will be left up to the discretion of individual team coaches, but we strongly recommend that eye protection be worn by anyone demonstrating or working on a robot, cutting materials, or near a working robot.

When in doubt, get the glasses out and put them on.

Q: Will all the pits be in one space?
A: The team pits will be in multiple halls. The halls are connected, and the pits will be organized by Division.

Q: Are middle school VRC teams eligible to compete in the high school Division?
A: Middle school VRC teams must compete in the middle school Division during VEX Worlds.
Q: Is there a dress code for VEX Worlds?
A: Students should consult with their team mentor or coach. All attendees must wear closed toe and heel shoes during the event. Attendees are reminded to dress comfortably and appropriately and to avoid loose hanging clothes or hair if they are going to work with robots or tools in the team pit area. If any questionable items are worn to this event, please be advised that the event staff may ask the attendee to remove or alter their attire.

Q: Are high school students who are taking college courses eligible to compete in the VEX U Competition?
A: The robot drivers in the VEX U Competition must be enrolled in a post-secondary school and cannot be enrolled in a secondary educational institution. Anyone may serve as a VEX U coach.

Q: How will the VRC Excellence Award winner be decided this year?
A: Please refer to the VRC Awards Appendix.

Q: Will there be AC power at the field for our VEX Joystick power supply?
A: No, please be sure that your batteries are fully charged before each match.

Q: Will the competition officials use anti-static spray on the fields this year? What is the spray that will be used?
A: Yes, it is normal practice to use an anti-static spray at a competition of this size. TechSpray 1726-QT or something similar may/will be used to spray the tiles during VEX Worlds. It is currently stocked and sold in quarts at All-Spec, Allied Electronics and other online retailers. Allied and Mouser do not have a case minimum.

Q: Will my team be able to construct our own pit space?
A: Teams are discouraged from “building” temporary structures in their pit spaces. Please feel free to bring stands to display information, however no structures stretching over the top of, or covering your pit will be allowed.

Q: Can my team bring additional chairs to place in our pit area?
A: Yes, teams are permitted to bring small folding chairs, camp chairs, etc., into their pit space. Please remember that all items must fit comfortably within your pit space.

Q: Can my team bring noisemaking devices to the event?
A: Electronic noisemaking devices, such as sirens and megaphones, will not be permitted. Loud whistles and other devices designed to amplify noise are strongly discouraged and may be confiscated for the remainder of the event. Please remember to cheer for your team(s) in a manner that is polite and respectful of the other teams in attendance.

Q: Can teams, spectators, or attendees use “drones” or other airborne items?
A: For the safety and comfort of all participants and attendees, no flying objects (including drones) will be allowed during the event. The Kentucky Exposition Center has strict rules prohibiting the possession or operation of airborne devices without prior approval.
Q: Are hoverboards or other personal transportation devices allowed at the event center?

A: No personal transportation devices will be allowed in the Kentucky Exposition Center. This includes, but is not limited to: hoverboards, roller skates, scooters, bicycles, and skateboards. Such devices pose a danger to others and may be confiscated for the remainder of the event. Assistive medical transportation devices such as wheelchairs or Gould’s scooters that are rented onsite will be allowed.

Q: Can teams play with athletic balls, etc. in the building?

A: For the safety of all participants, and to abide by Kentucky Expo Center rules, we kindly ask that participants refrain from playing with athletic balls/objects while inside of the building.

Q: Where can I submit 2018 VEX Robotics World Championship nominees for the Teacher and Mentor of the Year Awards?

A: Please visit the VEX Robotics World Championship Awards page found at: [https://roboevents.com/vexawards/](https://roboevents.com/vexawards/). Please note that nominations closed on Tuesday March 20.

**MERCHANDISE SALES**

Q: Will there be an on-location store selling spare parts?

A: Yes. Located in the North Wing of the KEC next to Pit Administration. The REC Foundation Store will be open for teams looking for VEX Robotics parts. There is no guarantee inventory will last. Plan to bring a good supply of spare parts with you. Orders cannot be placed online.

Q: What other merchandise will be sold during VEX Worlds 2018?

A: As in past years our apparel vendor, Fine Designs, will have customizable apparel available for sale. A variety of HEXBUG toys will be sold at the REC Foundation store inside the Kentucky Exposition Center.

Q: Will there be items available for sale online?

A: The Fine Designs online store will be open until April 8. The website will be viewable after this time, but no orders will be accepted. The online store will reopen on May 3 and remain open until July 15, 2018. Please visit their online store [here](https://roboevents.com/vexawards/).

Q: Can teams bring items to sell from their booths during VEX Worlds?

A: No. Teams may not sell items from their pit or on the grounds of the Kentucky Exposition Center. Teams may distribute free items such as pins, buttons, stickers, information flyers, etc. Food or beverage distribution is strictly prohibited.
