Falls Church, VA 22042

Dear VEX Robotics Competition Team Members:

Northrop Grumman Foundation is pleased to welcome you to the 2020-2021 VEX Robotics Competition season. We are proud to be the presenting sponsor of this competition knowing that this experience will challenge, excite and engage students like you around the world.

Throughout the season, you will gain a greater understanding of science, technology, engineering and mathematics and their relevancy and importance in developing innovative technology. In addition, your participation will hone your problem-solving, communication and team building skills, which will prepare you for many opportunities along your future path. We hope you will find the skills and knowledge you acquire to be invaluable and that your experience competing in VEX Robotics will serve to encourage you to further embrace your passion for robotics.

On behalf of the Northrop Grumman Foundation, I wish you much success and enjoyment this season and hope to see you at the 2021 VEX Robotics Competition World Championship.

Best Regards,

A handwritten signature in black ink, appearing to read "Sandra", with a long horizontal flourish extending to the right.
