

3rd – 5th Year VRC Initial Team Grant

Grant Requirements

To qualify for this grant the following criteria must be met:

1. Must be a Nevada public school
2. School must have been awarded a Tesla team grant from REC Foundation for the past two seasons (2019-2020 AND 2020-2021)
3. School must currently participate in the VEX Robotics Competition (VRC) program
4. Teacher must attend an educator training
5. School must commit to participating in the VRC program

Terms and Conditions of this grant include:

- The donated equipment will be stored in a safe, clean location
- The donated equipment will be used for the official VRC competitions or activities
- The team will recognize Tesla as a primary sponsor for their team
- The donated equipment will be returned to REC Foundation if the school decides to no longer participate in VRC
- As a recipient of the REC Foundation 2021-2022 3rd-5th Year Tesla VRC Initial Team Reg. Grant w/ Motor, Sprocket and Chain Kit, your school and subsequently the team is committed to do the following for the season:
 - Register the team for the season
 - Each team must participate in one (1) authorized competition per season
 - Complete any research or academic studies within reason including pre and post-training survey, pre and postseason survey and individual team profile

The REC Foundation will provide with support from our generous sponsors the following for the VRC team:

- 1 – Team registration
- 1 – Welcome kit
- 1 – V5 Smart Motor (276-4840)
- 1 – High Strength Sprocket and Chain Kit (276-2252)
