

2021-2022 Office of Naval Research

# Hawaii Robotics Team Grant

Grant Requirements

To Qualify for grant the following criteria must be met:

1. School must be Title 1 verified through the NCES Database OR be a military connected school
2. School must start a minimum of 1 NEW robotics team for the season
3. School must be located in Hawaii

Terms and conditions include:

- School agrees to complete the required team roster information to document the eligibility requirements
- School agrees that the robotics team will participate in one or more official REC Foundation Competition events for the 2021-2022 season. We understand that due to COVID-19 your team's ability to participate in an event may be limited, so your team's attendance or participation in our remote events will be acceptable for the season
- Grant recipient agrees to complete any research or academic studies within reason including pre and post teacher training survey, pre and post student survey, individual team profile and team roster
- Grant recipient agrees to complete teacher training if applicable
- Grant recipient understands that team must register and compete in the REC Foundation robotics program for three years
