REC Foundation Grant Requirements

Please agree to the Robotics Education and Competition (REC) Foundation terms and conditions to complete your grant application. Terms and conditions include:

- Grant recipient/organization understands that priority is given to new organizations not currently participating in REC Foundation programs.
- Grant recipient/organization agrees to complete the required team roster information to document the eligibility requirements for each team/grant award received.
- Grant recipient/organization agrees to pay for any team registrations, robot supplies/equipment, drone supplies/equipment or shipping costs that are required by the grant award.
- Grant recipient/organization understands that a grant (free) team registration cannot be applied to a team that is already registered for the current season, any team receiving a free registration (initial OR additional) must be unpaid and in the grant applicant's cart upon grant approval.
- Grant recipient/organization agrees that grant teams will register, pay for, and compete in one or more official REC Foundation competition event for the next two (2) seasons, meaning the current season plus next season. Failure to meet this requirement during this period or if the grant recipient/organization decides to no longer participate in REC Foundation programs will result in all grant supplies/equipment being returned to the REC Foundation at the grant recipient/organization's own expense.
- Grant recipient/organization agrees to complete any research or academic studies within reason including pre- and post-teacher training survey, pre- and post-student survey, pre- and post-season survey, and individual team profile and team roster.
- Grant recipient/organization understands discounts are not able to be applied to previous purchases (supplies/equipment), orders that have already been placed or processed, orders that are in a PO received (processing) status or team registrations that have already been paid or are in PO received (processing) status. Grant award may only be used by the RobotEvents.com account holder that applied for the grant, and cannot be transferred to other RobotEvents.com account holders or third parties. All grant awards are only valid during the period of validity (current season) and are subject to the term and conditions being accepted by grant recipient/organization. Any grant award not utilized during the period of validity (current season) will be voided/canceled at the end of the validity period (end of current season). Grant awards may not under any circumstances be converted into a sum of money which is reimbursable or payable to the grant recipient/organization.
- If applicable, all grant equipment will be stored in a safe, clean location.
- If applicable, the grant equipment will be used for official REC Foundation competitions or activities.

The Robotics Education & Competition Foundation may award or provide at its own discretion grant assistance to a grant recipient/organization that is participating in its programs. Grant assistance **may include** any of the following:

- Initial Team Registration
- Additional Team Registration
- Robot Supplies/Equipment for REC Foundation programs
- Drone Supplies/Equipment for REC Foundation programs
- Field Supplies/Equipment for REC Foundation programs

By clicking, and accepting this grant, I agree to all terms and conditions above. Exceptions to these terms and conditions can only be made by an authorized REC Foundation staff member, in writing directly to the recipient.
